1.7 Bidder Responsibility

The bidder assumes the sole responsibility for the complete effort required in submitting a bid in response to this Solicitation. No special consideration will be given after bids are opened because of a bidder's failure to be knowledgeable as to all of the requirements of this Solicitation. The City of Atlantic City assumes no responsibility and bears no liability for cost incurred by a bidder in the preparation and submittal of a proposal in response to this Solicitation.

1.8 Bid Opening

On the date and time bids are due under the Solicitation all bids received will be opened publicly. The content of the bids shall remain confidential during the evaluation process. A bidder may withdraw its bid prior to opening, by a request in writing to Keith B. Mills, Assistant Planning Director.

A bidder may submit a revised bid as long as the revised bid, clearly marked as such, is received as specified in Section 1.3 of this Solicitation.

If, after bid opening but before contract award, a bidder discovers an error in its bid, the bidder may make written request to Keith B. Mills for authorization to withdraw its bid from consideration for award. Evidence of the bidder's good faith in making this request shall be used in making the determination. Some of the factors that may be considered are that the mistake is so significant that to enforce the contract resulting from the bid would be unconscionable; that the mistake relates to a material feature of the contract; that the mistake occurred notwithstanding the bidder's exercise of reasonable care; and that the City will not be significantly prejudiced by granting the withdrawal of the bid.

The bidder will have five (5) days after receipt of the written notice to confirm its pricing. If the bidder fails to respond, its bid shall be considered withdrawn, and no further consideration shall be given to it.

If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and extended price and the bidder's intention is not readily discernible from other parts of the bid, the City may seek clarification from the bidder to ascertain the true intent of the bid.

The location of any such information in the bid with such designation should be clearly stated in a cover letter.

5. The Contractor represents and warrants, on behalf of itself and its employees, consultants, sub-consultants, contractors and subcontractors that:

(a) The Services shall be performed in a professional, workmanlike and competent manner in accordance with the standards of care and diligence normally practiced in the industry, and to the extent applicable, shall conform to the specifications, drawings, samples, other description, and terms and conditions contained or referenced therein; and in the event the Contractor fails to fulfill this covenant, the Contractor shall promptly re-perform and correct any Services not acceptable to the City upon its written request made at any time within one (1) year after the City's final acceptance of the Services. All costs incurred by the Contractor in performing such corrective work shall be the sole responsibility of the Contractor.

(b) The Services and the Contractor's performance thereof shall comply with any and all applicable laws, ordinances, rules and regulations of any and all governmental agencies, having jurisdiction to impose such requirements; and,

(c) The entity and they have the legal authority to enter into this Agreement and to perform the Services.

(d) (i) The execution of this Agreement and performance of the Services will

not violate any obligation to or rights of others including but not limited to, intellectual property rights such as patent, trademark, trade secret and copyright, under agreement or otherwise, and (ii) it knows of no written or oral agreement or of any other impediment which would inhibit or prohibit the relationship with the City of Atlantic City provided for herein.

6. The provisions of New Jersey's Prevailing Wage Act (N.J.S.A. 34:11-56.25 et seq.) and the regulations promulgated there under (N.J.A.C. 12:60 et seq.) apply to this Agreement.

(a) The prevailing wage rate (as designated by the Commissioner of Labor) which can be paid to the workers employed in the performance of this Agreement, by trade, shall be as set forth in the Contractor's bid.

(b) The Contractor, and every subcontractor, is required to pay workmen in their employ covered by this Agreement not less than such prevailing wage for the applicable trade.

(c) If any worker employed by Contractor or any subcontractor has been paid at a rate of wages less than the prevailing wage required to be paid under this Agreement, the City may terminate the Contractor's or subcontractor's right to proceed with the Services, or part thereof as to which there has been a failure to pay required wages, and to prosecute the Services or part thereof to completion. The Contractor and his sureties (as applicable) shall be liable to the City for any excess costs occasioned thereby.

(d) The Contractor shall maintain certified payroll records, and provide such records upon City's request within ten days of the payment of wages as required under N.J.A.C. 12:60-5.1(c).

8. The Contractor shall maintain a thorough and complete record of its performance of the Services hereunder, including, without limitation, hours worked under this Agreement and the reasonable business expenses incurred in connection with the Services (the "Records"). Contractor shall maintain and make available for inspection the Records during the term of the Agreement and for three (3) years from and after the Termination Date. The City or its designee shall have the right, upon reasonable notice, during normal business hours to audit, inspect and copy the Records. For purposes of this Section 8, "Contractor" shall include the records of its consultants and its sub-consultants, contractors and subcontractors.

9. The initial term of this Agreement shall commence upon the Effective Date and shall expire _____ year(s) from said date, or earlier termination as provided herein (the "Termination Date"); provided however, that the Agreement shall remain in full force and effect for any Services requested by the City prior to and performed by the Contractor after the Termination Date ("Post Termination Services"). The City may terminate the Agreement for any reason or no reason upon at least ten (10) days' prior written notice to the Contractor. The Contractor shall be paid for work performed and accepted by the City until the close of business

on the Termination Date, or, in the case of Post Termination Services, the date of the City's acceptance of such services.

10. (a) The Contractor represents that it has no existing financial interest and will not acquire any such interest, direct or indirect, which could conflict in any manner or degree with the performance of the Services under this Agreement and that no person having any such interest shall be subcontracted in connection with this Agreement, or employed by the Contractor. The Contractor will also take all necessary steps to avoid the appearance of a conflict of interest and shall have a duty to disclose to the City prior to entering into, and during the term of, this Agreement any and all circumstances existing at such time which pose a potential conflict of interest.

(b) The Contractor warrants that it has not directly or indirectly offered or given, and will not directly or indirectly offer or give, to any employee, agent, or representative of the City any cash or non-cash gratuity or payment with view toward securing any business from the City or influencing such person with respect to the conditions, or performance of any agreements with or orders from the City, including without limitation this Agreement. Any breach of this warranty shall be a material breach of each and every agreement between the City and the Contractor.

(c) Should a conflict of interest issue arise, the Contractor agrees to fully cooperate in any inquiry and to provide the City or its designee with all documents or other information reasonably necessary to enable the City or its designee to determine whether or not a conflict of interest existed or exists. Failure to comply with the provisions of this section shall constitute grounds for immediate termination of this Agreement, in addition to whatever other remedies the City may have.

11. The Contractor shall procure, and require its contractors and sub-contractors to procure, prior to the commencement of services, and maintain, at its own expense, until final acceptance by the City of all services required under this Agreement, insurance for liability for damages imposed by law and assumed under this Agreement, of the kinds and in the amounts hereinafter provided, with insurance companies authorized to do business in the State of New Jersey. The insurance carriers shall have a Best's rating of "A" or better and a Best's financial size of "VII" or larger. All of the policies of insurance required to be purchased and maintained and the certificates, declaration pages, or other evidence thereof shall contain a provision or endorsement that the coverage afforded is not to be cancelled, materially changed or non-renewed without at least 45 days prior written notice to the City by certified mail. The City of Atlantic City shall be named as an "Additional Insured" on those policies required under subsections (a) and (b).

(a) Commercial General Liability Insurance. The minimum limit of liability shall be \$1,000,000 per occurrence (combined single limit for bodily injury and property damage) / \$2,000,000 aggregate, including products/completed operations and contractual liability insurance, which insurance shall include coverage for the liability assumed under this Solicitation in an amount not less than \$1,000,000. The coverage to be provided under this policy shall be at least as broad as that provided by the standard, basic, un-amended and unendorsed comprehensive general liability coverage forms currently in use in the State of New Jersey, which shall not be circumscribed by any endorsement limiting the breadth of coverage.

Moreover, such policy of insurance shall be endorsed so as to delete any exclusions applying to property damage liability arising from underground hazards relating to utilities, explosions and collapse of foundations. The policy shall include coverage for pollution liability, or alternatively, Contractor shall provide evidence of such coverage in accordance with subpart (d) herein-below.

(b) Comprehensive Automobile Liability Insurance. The policy shall cover owned, non-owned, hired, leased and rented vehicles with minimum limits of liability in the amount of \$1,000,000 per accident as a combined single limit for bodily injury and property damage. The coverage provided shall include automobile contractual liability covering liability assumed under this Agreement.

(c) Workers Compensation and Employer's Liability Insurance. Worker's Compensation and Employer's Liability insurance shall be provided in accordance with the requirements of the laws of the State of New Jersey.

(d) Pollution Liability Insurance: The minimum limits of liability shall be \$2,000,000 per occurrence/ \$2,000,000 aggregate. The coverage to be provided under this policy shall be at least as broad as that provided by the standard, basic, un-amended and unendorsed pollution liability coverage forms currently in use in the State of New Jersey, which shall not be circumscribed by any endorsement limiting the breadth of coverage.

The Contractor shall furnish to the Authority, within ten (10) days of the effective date of this Agreement, Certificates of Insurance, together with declaration pages, in a form satisfactory to the City, evidencing that it has complied with this Section 11. The required Certificates of Insurance shall be filed with the City and same will be made part of this Agreement. No work shall commence until the insurance requirements and certificates are provided to City. Upon request, the Contractor shall furnish the City with a certified copy of each policy itself, including the provisions establishing premiums.

12. Rights in Work Product

(a) The City shall own all right, title, and interest in and to any Work Product (as hereinafter defined) produced by Contractor or its contractors, Consultants, subcontractors and sub-consultants under this Agreement, and Contractor agrees that such Work Product shall be deemed a "work made for hire". Contractor shall execute and deliver such instruments as requested by City to affect the City's rights in Work Product. To the extent that City's rights as outlined herein-above are limited in any manner at law or otherwise, Contractor hereby assigns to the City all right, title, and interest, including but not limited to, copyright and all copyright rights, in all Work Product created by Contractor in its performance under this Agreement and/or delivered to the City hereunder and shall execute any documents necessary to effectuate such assignment, and further grants to the City an irrevocable, fully-paid up, royalty-free license to use any Work Product provided to the City. Contractor warrants that it has the lawful right to grant the forgoing license to the City.

(b) In the event Contractor uses any individual who is not a full-time employee of Contractor or entity to perform any work required of it pursuant to this Agreement, Contractor shall require said individual or entity to sign an agreement containing identical wording as the

(d) In the event of termination by either party for any reason, as provided under this Agreement, the City will have the right to receive, and the Contractor shall promptly provide to the City, all drawings, documents, reports, surveys, renderings, exhibits, models, prints, photographs, and other materials prepared by the Contractor for the Services under this Agreement, notwithstanding any dispute regarding the amount to be paid under this Agreement. The foregoing provisions shall survive the term and termination of this Agreement.

13. By signing this Agreement, the Contractor certifies that the Contractor and any of its principals (a) are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of Agreements by any public agency, and (b) have not, within a five-year period preceding this Agreement, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government agreement or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a government entity with, commission of any of these offenses.

14. The Contractor will indemnify, defend and hold the City, and its officers, employees and members (collectively, the “Indemnity”) harmless from and against any and all allegations, causes of action and claims (whether threatened or pending), costs, expenses and fees (including attorneys' fees), awards, damages, judgments, liabilities (in law or in equity) and losses (collectively, the “Losses”) arising out of or relating to the Contractor's act, failure to act, or omission in its performance of the Services hereunder. The obligation to defend shall arise regardless of any claim or assertion that Indemnity caused or contributed to the Losses.

15. Provisions of this Agreement may be waived by the City only by a written statement expressing that it is intended as a waiver of specified provisions of the Agreement. The City's approval, acceptance use or payment for any part of the Contractor's services shall not in any way alter the Contractor's obligations, nor waive any of the City's rights, under this Agreement.

16. If any change occurs in the legal entity of the Contractor's organization, the Contractor shall immediately report such change to the City of Atlantic City.

17. While engaged in performance of this Agreement, the Contractor is an independent contractor and is not an officer, agent, or employee of the City. 18. Neither the performance of this Agreement, nor any part hereof, may be assigned by the Contractor without the prior written consent of the City. The Contractor shall not subcontract any services hereunder without the prior written approval of the City. All subcontracted services, once approved, shall be billed by the Contractor to the City at direct cost with no additional fees or markup.

19. All notices under this Agreement must be in writing and shall be delivered to the Parties to which the notice is being served by: (a) certified or registered mail, return receipt requested, or (b) overnight courier service addressed to the Parties at their respective address set forth above.

20. The validity, interpretation and performance of this Agreement shall be determined according to the laws of the State of New Jersey. Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid. However, if any provision of this Agreement shall be held to be prohibited by or invalid under any applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remaining provisions of this Agreement.

Public Law 2005, Chapter 51 (formerly Executive Order 134) and Executive Order 117 (2008)

INFORMATION AND INSTRUCTIONS

For Completing the “Two- Year Vendor Certification and Disclosure of Political Contributions” Forms

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued Executive Order 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, Executive Order 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. Executive Order 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”).

On September 24, 2008, Governor Jon S. Corzine issued Executive Order No. 117 (“E.O. 117”), which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State, the Certification and Disclosure of Political Contributions form (CH51.1R1/21/2009) is valid for a two (2) year period. Thus, if a vendor receives approval on Jan 1, 2009, the certification expiration date would be Dec 31, 2011. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/EO117 forms to the State Review Unit. **Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.**

Prior to the awarding of a contract, the agency should first send an e-mail to CD134@treas.state.nj.us to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.
