

Cycle Ceremony at City Hall

At a recent ceremony outside of City Hall, the Atlantic City Police Department was the recipient of a police packaged Harley Davidson motorcycle donated by James Binns, a Philadelphia attorney. Binns is also well known for his efforts involving the Police Memorial Plaques Program. Binns, along with the Fraternal Order of Police, Lodge 5, in Philadelphia presents hero plaques to fallen officers/firefighters families.

Binns of “COPWHEELS Inc.” has begun his motorcycle donation program with the Atlantic City Police Department. This donation brings the number of motorcycles in the Atlantic City Police Department to fourteen.

“COPWHEELS Inc” has donated police motorcycles to the police departments, of Philadelphia, Margate, and Longport and is in the process of donating motorcycles to the Somers Point Police Department as well.
